## AJ Series LED [www.fluorel.co.uk/products/PDFs](http://www.fluorel.co.uk/products/PDFs)

The new AJ Series luminaires include modern energy efficient LED boards and are finished in a stylish two tone powder coat. The LED's are available in two colours 3000k and 4000K. The luminaires are suspended via a high quality wire suspension kit with a nickel plated clutch for easy height adjustment.
