Make a difference

Saturday 28 October 2006 is CSV Make a Difference Day, the UK's largest day of hands on volunteering. Supported by Barclays, CSV MD Day encourages people to try volunteering for one day in an activity that will have a direct positive impact on the local community.

This is a great way to strengthen your business' links with the community and gain positive publicity, as well as develop new skills amongst staff members. Use this day to highlight your current community involvement or to kick start a new programme.

To find out how you can get involved in this year's CSV Make a Difference Day, visit www.csv.org.uk/difference or call freephone 0800 284 533.

Community breakfast

The project will also promote and support recognition of the benefits of corporate social responsibility in Brighton & Hove and engage SMEs in the community so that businesses can maximise the business benefits and sustainability of their community engagement.

There are no sign-up or membership fees but there will be a nominal charge of £12 for each breakfast. For more information contact Claire Mitchell on 01273 774796 or email claire.mitchell@bhbcpc.org.uk
