

EQUALITY WHY BOTHER?

“

One third of UK employers received complaints about unfair treatment this year and employment issues cost businesses £2.4 billion.*

Companies in the South East suffered the most at £361 million.**

”

*The Forum for Private Business **2008 Fair Treatment at Work Survey

Protect your business with up to date information and truly fair practices to keep your people happy and avoid legal disputes.

Advice and workshops are available in Brighton & Hove through LEADER:
Local Employers Acting on Diversity, Employment & Race
