

Tourism Forum Evaluation Data Sheet

Qualitative Data

	Meeting Date	Details	Actions	Outcome(s)
1	Positive Impact	Getting People Talking, Business voicing concerns/issues from unique perspective		
2		Exchanging ideas and experience		
3		Opportunities to network as well as share responsibilities for commitment to local economy/people		
4		Networking, other opinions		
5		Great networking		
6		Better understanding of what employers need		
7		The co-ordinated working in the hospitality sector between Working Links & the hotels is new to me but seems to be working well		
8		Hopefully create a competence level and consistency across board in basic customer service		
9		No sure at present will develop over coming months		
10		Networking		
11		Networking & training opportunities		
12		continued networking will continue to deliver business development		
13		Training filling skills gaps - useful for reducing		
1	Future Topics/Improvements	More Workshop Groups - they were much more successful than just presentations		
2		Less emphasis on unemployed more on improving tourism qualities - it must follow.		
3		Boring start but did enjoy myself		
6		Not at the moment		
7		Possibly need more time & focus on core issues/priorities		
8		Better use of time but over all very good		
9		How can we contribute		
10		Work placement/experience		
11		To be included in future, work placements!
